

JEFFS LEAD IN NEW DRIVE TO STRENGTHEN Y

Major Daven's Crew Proves That Work Goes Better Results Than Met At.

The Jeffs are living up to their word. "We work, Witter has the job of gab."

A. B. Daven, major of the Jeffs, leading against J. P. Witter, major of the Muffins, has a lead of 305 points in the Y. M. C. A. membership campaign. At the opening of the campaign Mr. Daven predicted that should his side win it would be by work, and should Witter's side win the weapon would have been "talk."

Eighty-eight new members have been secured in the first two days of the drive and 57 memberships have been renewed, making a total of 1,202 points for both sides. Returns given at last evening's dinner were: Daven, 29 new members, 15 renewed, a total of 656 points; Witter, 26 new members, 15 renewed, a total of 438 points. The men are meeting with success in all their districts, according to the talks made last evening by P. W. Bender, campaign chairman. Mr. Witter, Mr. Daven, William Schilling, Raymond Walker and O. J. Stratt, general secretary of the Y. M. C. A.

The city will be thrown open tomorrow, none of the men being restricted as to their districts. D. B. Bergquist still stands high in the number of members received.

J. C. McCarthy, secretary of the Commercial club of Davenport, will be the speaker of this evening.

ARREST WOMAN FOR SELLING LIQUOR ON STREETS; FINED \$300

Police raids in Rock Island seem to have little effect on the dispensers of booze. Violations continue and even women have entered the field, attracted by the highly lucrative returns.

What is more, the game pays better on the street than at any one location. At any rate, this must be so, or available buildings for bootlegging purposes are filled up, for arrests of persons carrying

"Gets-It" Wonder Corn Peeler

Just as Good for Calluses. Money Back if it Fails.

Don't be bothered through life by a pecky corn or callus. Don't let a corn tell you when to sit down. Don't wear shoes too large for you because a corn says you must. Get rid of the darned thing.

"Peel the White Corn Right Off and be Rid of It"

It's a revelation to corn sufferers, the wonderful way that "Gets-It" banishes corns. Spend two minutes—that's all—it applies 3 or 4 drops to any corn or callus. The pain will stop instantly. FEDERATION TO FIGHT FOR NEW BILL OF RIGHT

Members of Tri-City Group Meet Tonight—Labor Issues Up at Galena, Oct. 15.

Members of the Tri-City Federation of Labor will meet in regular session tonight at the Rock Island Industrial hall, Third avenue and Twenty-first street, and on completion of routine business the state convention of the Illinois Federation of Labor, to be held at

Galena the week of Oct. 15, will be discussed.

The federation has named John T. Bauer, president of division No. 813, Street Railway Employees of Rock Island and Moline, and M. L. Morris, president of the carpenter's district council, as delegates to the convention.

In addition to these representatives, it is predicted that each of the 70 local unions affiliated with the federation will have from one to two representatives at the convention.

The local labor leaders will go before the convention with instructions to do all in their power in making final plans for the presentation of the "labor bill of rights" to the delegates to the state constitutional convention for incorporation in the revised constitution of the state of Illinois.

The bill incorporates such labor issues as collective bargaining, la-

bor's right to strike and other similar measures. The bill was formulated by the executive committee of the state federation and is to be one of the main topics of discussion at the convention, and while it is subject to change, labor leaders throughout the state are anxious to have the bill reported out of the convention in form to satisfy all of labor's legislative needs.

ENDORSEMENT FOR PROHIBIT CANDIDATE

The United Christian party, of which William Rudolph Benkert of Davenport is national chairman, has endorsed the candidacy of Aaron S. Watkins on the Prohibition ticket for the presidency of the United States.

All candidates for that office were

questioned by letter as follows: "If you are elected to be the next president of the United States of America will you be willing and promise to refer or submit the leading issue of vital importance to all, to a direct vote of the people?"

"Will you be willing and promise to be governed by the decalog and the Christ rule in what you do as president and cooperate in asking that the United States shall adopt and use the decalog and Christ rule for the basis of legislation and the administration of all its laws?"

An answer was received from the head of every candidate except Christensen and all candidates above named. The Prohibition party for president answered, "I

We Want You

to know that in nearly every store—no matter how large or how small, there is a certain per cent of the goods on hand undesirable that consists of odd and Ends, damaged or soiled and sometimes shopworn—this is some times the fault of the Salespeople—but invariably the fault of the Department Manager or Proprietor. — Who would sooner keep them than take a loss on the Cost price.

that system poor merchandising and we want to announce to you that all such goods that was in the stock we bought at Kenosha has, practically speaking, been eliminated from our stock.
